Did you know...

We work with you to create

Custom Cable Assemblies

From production board to product inlay...

Harnessing the world with quality products and service. – Proudly made in America!

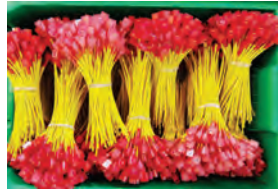

LEAN MANUFACTURING

We manufacture low, medium, and high volume runs of a diverse range of standard and custom wire harnesses and leads within multiple industries, unique companies, and creative products.

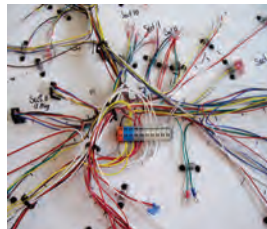

WE BUILD VALUE

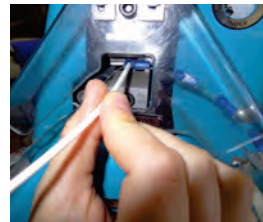

Our team has over 400 years of experience and solution driven creativity to meet any challenge.

FROM CONCEPT TO COMPLETION

Electronics and CAD technicians document, review, and propose recommendations.

Our in-house tooling and rapid prototyping allows us to complete the assembly process to meet your specifications.

Expert Quality Control team on board to provide visual, in process, and final inspections.

Our reputation rides on the end of a wire.

We're a company of Characters with character. Give us your Challenge. We love it... and so will you!

We'll work with you right from the start. Our Engineers and Tool experts are available to provide quick responses to your needs.
